

Volunteers Needed!

for the new **PURBECK LEG CLUB**

Can you spare a little time to help at our new Leg Club for patients with lower leg concerns? **We meet every Monday from 9am to 12 noon at Wareham Parish Hall, 3 The Quay, Wareham, BH20 4LP.**

Nursing care will be provided but we need volunteers to help run the club - meeting patients, setting up the hall, refreshments, fund raising and admin support. **If you can help please contact**
